

All Grass Horse Mixture

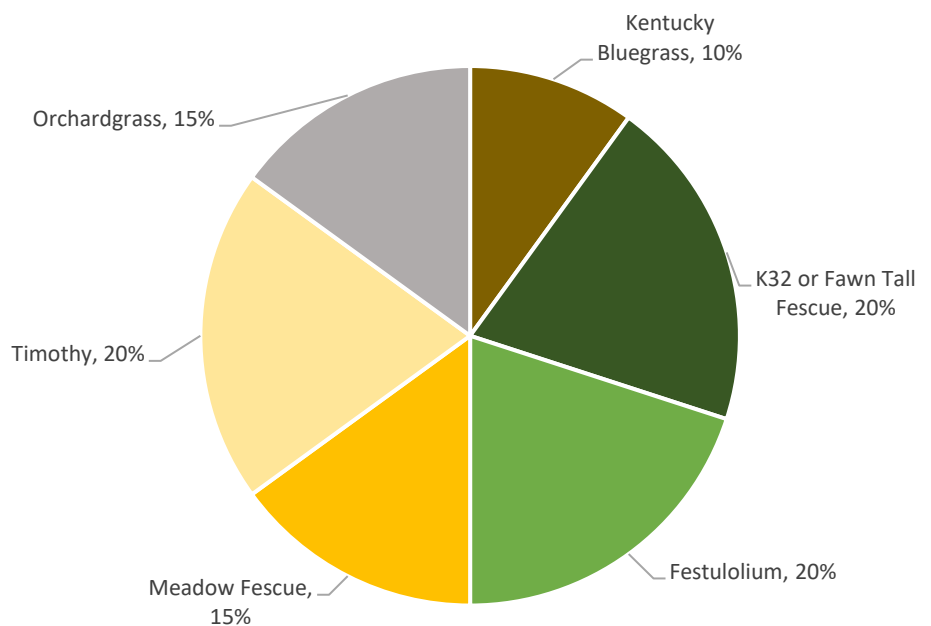

All Grass Horse Mixture: A premium blend specifically designed to meet dietary and grazing needs. This carefully curated mixture combines 10% Kentucky Bluegrass for its exceptional palatability and durability, along with 20% K32 or Fawn Tall Fescue, known for its deep root system and ability to withstand heavy grazing. The inclusion of 20% Festulolium adds a high-quality forage component, while 15% Meadow Fescue contributes to the overall forage resilience. Additionally, the blend features 20% Timothy, a staple grass known for its high fiber content, and 15% Orchardgrass, which offers excellent nutritional value and regrowth capabilities. The All Grass Horse Mixture provides a balanced and nutritious grazing experience, promoting healthy digestion, and sustained energy.
